Personalize

Make it Special...

Personalization adds that special touch that really connects with the end consumer by creating a wonderful gift just for them! Each of our personalized dolls has an accessory that can be easily detached and mailed back to our embroidery department. We will embroider any name on the accessory, regardless of the spelling, and mail it back in 2-4 weeks depending upon the time of the year. Here is a list of our personalized dolls in this catalog:

- Name Your Own – Page 5
- My Little Slugger – Page 17
- Touched Hearts – Page 24
- True Love – Page 25
- Communion – Page 26
- Graduates – Page 26
- Nurses – Page 29
- Stocking Boxes – Page 41
- Christmas – Page 42, 44, 45
- Treetoppers – Page 43

Each doll comes with a postcard that explains the easy-to-follow process. Just how much does this wonderful feature cost? That's the best part – it's included in the price of the doll!
